BURCH IRIS GARDENS

Hello Iris Friends,

As we issue our seventh catalog, we would like to express our sincere thanks to all our customers for your past orders and look forward to serving you again this year. The irises look quite good considering that we have had an extremely dry year. There was no rain for at least a month after we transplanted last fall, but recently we have had about 2 inches of rain and the irises have really taken to this water and are growing well.

We are looking forward to blooms on new varieties and to a new crop of seedlings. Among them is a red which has been named after our daughter Elizabeth Carol. There are several other seedlings with beautiful flowers that are quite fluted.

You are welcome to visit us at any time. Bloom season will probably peak between May 5 and 12 this year. If we are not at home, feel free to take a look anyway.

Our introductions this year include WONDER STRUCK, WHITE TOKEN, Bledsoe's BORN RICH, and Steinhauer's ENTREPRENEUR.

Terms: Enclose check or money order with your order. All orders will be acknowledged. All rhizomes are shipped guaranteed to be healthy and true to name. If you are dissatisfied with the rhizomes received, we will either replace them or refund your money. We reserve the right to refuse any orders postmarked later than July 10 except for surprise packages which will be accepted until August 1. Minimum order is $15.00

SUBSTITUTIONS: No substitutions will be made without your permission. If we are sold out of a variety and you indicate no substitution, your money will be refunded. If substitutions are authorized, a similar variety of equal or greater value will be substituted.

Surprise packages: Surprise package orders will be accepted for any amount $15 plus handling charge or greater. Four times list value is guaranteed in all surprise packages.

Shipping: Shipping on regular orders begins around mid June and continues until late July. Surprise packages are shipped around August 1. All shipping is by UPS unless you indicate otherwise. Please include street address and telephone number as UPS does not normally deliver to post office boxes.

BURCH IRIS GARDENS' 1981 INTRODUCTIONS

WONDERSTRUCK (Burch) TB 39", M-L (74-21E) The golden shoulders and beard form a contrasting color, making this pale violet iris stand out. There are six large tailored blossoms and terminal on its three branches. Sib to White Token (Launching Pad x Radiant Beam) $25

BORN RICH (Bledsoe) TB 32". M-L (75-66B) Laced, full violet standards and falls surround a red-orange beard. It has two branches and a spur plus the terminal; seven buds that are tightly domed at first before opening. (Sunburst Duet x Southern Hospitality) x Lillian Terrell $25
