TERMS OF SALE

Dealers: We do not issue a wholesale list, but will be glad to quote prices on your want list.

Minimum wholesale order \$10.00 plus tax and postage.

Discounts: All iris are one half list except the net ones. Texas residents must add 4 1/4 % sales tax. If you add sufficient postage we will more than repay you with extra iris. We start shipping in late June and will continue as long as stock lasts. We recommend early planting, especially to our friends in northern and eastern states. If you have never given us an order -- try us -- you will be glad you did.

VISITORS WELCOME ANYTIME. Peak Bloom: April 15 - 25

SUPER BARGAIN

If you want a super bargain just send us the amount you wish to spend, from \$10.00 to \$500.00, leave the selection to me. I will personally see that you get from 3 to 5 times catalog value. They will be good iris - selected from the ones that I have a good stock of. All will be correctly labeled.

You pay postage on this offer.

SURPLUS SALE

After June 15 we will know what our surplus will be. If you can use five or more of a kind, please, write for a list. It will be more than just a bargain.

If you like daylilies and live within three or four hundred miles of us, we think it would be worth while to drive to see our seedlings. They are not just field run, but are a careful selection that should please most anyone. They will sell at the garden from \$1.00 per clump up.

WE MUST HAVE YOUR ZIP CODE NUMBER.

Guarantee I: Prices are based on strong, single divisions that should bloom the first year, but since garden conditions and skills vary widely we can make no guarantee as to growth or bloom. We include gift plants with your order - depending on varieties and amount of order. On orders under \$10.00, please send \$1.00 to help cover packaging and postage.

REASONS FOR BUYING FROM BURGE

- First: We have extra nice rhizomes - some of the nicest we have seen.
- Second: We sell at one half list price - this is a cash discount and we give extra beside.
- Third: We hand dig all orders - none are machine dug and most are shipped the day they are dug. Thus, assuring the freshest plants possible.
- Fourth: We have a small garden. It is treated as a garden not as a field. We know our plants and our customers are people - not just order numbers.
- Fifth: Most of the iris we list have received national honors in the last year or two. There is no junk or oldies.
- Sixth: There are lots of other reasons. An order from us will reveal them. Do try us.

GARDEN NOTES

Lined writing area for garden notes, featuring horizontal ruling lines across the page and three binder holes on the right margin.
