This list supersedes all previous lists. You will note that we have discontinued many items. This was done so we would be able to give more attention to varieties listed. Some perennials from the old list will still be available this spring.

Hopkins is about 30 miles southwest of Grand Rapids. It is 6 miles west of the Hopkins-Bradley exit of US131 expressway. We are a mile and a half south of the village, 22nd St. being an extension of Clark St. Ours is a gray shingle house on the east side of the road.

Please Read Before Ordering

All plants can be shipped in spring or fall except poppies, which are sent in August, September and early October.

Minimum order \$10.00; if less include \$1.00 extra for postage and handling. Special handling will give faster service; if wanted add 35¢ to your order.

Abbreviations used are as follows:
