

MATHEWS SELECT IRIS FOR 1975

OUR 19th YEAR OF SERVING YOU HAS ARRIVED.

And this year we are offering for the first time 24 very good introductions from Mrs. Jeannette Nelson of Coeur d'Alene, Idaho. Mrs. Nelson, a master hybridizer, has finally decided that after attaining the age of 88 she should let younger enthusiasts carry on where she has left off. Her red bearded blues; her precise rims on various colored falls are a very real contribution to the iris world.

SPECIAL EMPHASIS IS GIVEN TO OUR INVITATION FOR YOU TO COME TO MATHEWS IRIS GARDENS (public display garden on Southeast 8th Street in College Place, Washington) and see for yourself how gorgeous and glorious both the exclusive new and many of the older ones are.

We are sorry to inform those that have been inquiring about "STUNNING" and "HOWDY FOLKS" that we feel it is in the best interests of all to wait another year to introduce them. "RIGHT ON," however, is being listed. RIGHT ON has

outstanding body quality as well as being a true pink amoena.

We are sorry to say that there are no new introductions from Austin Morgan, but we are growing some seedlings from his own line breeding coupled with that of Mrs. Nelson which are turning out blossoms you won't believe especially in the precise color rims on various colored falls.

YOU WILL BE PLEASED TO NOTE THAT THIS IS OUR MOST AMBITIOUS CATALOGUE TO DATE. WE HOPE YOU USE IT OFTEN.

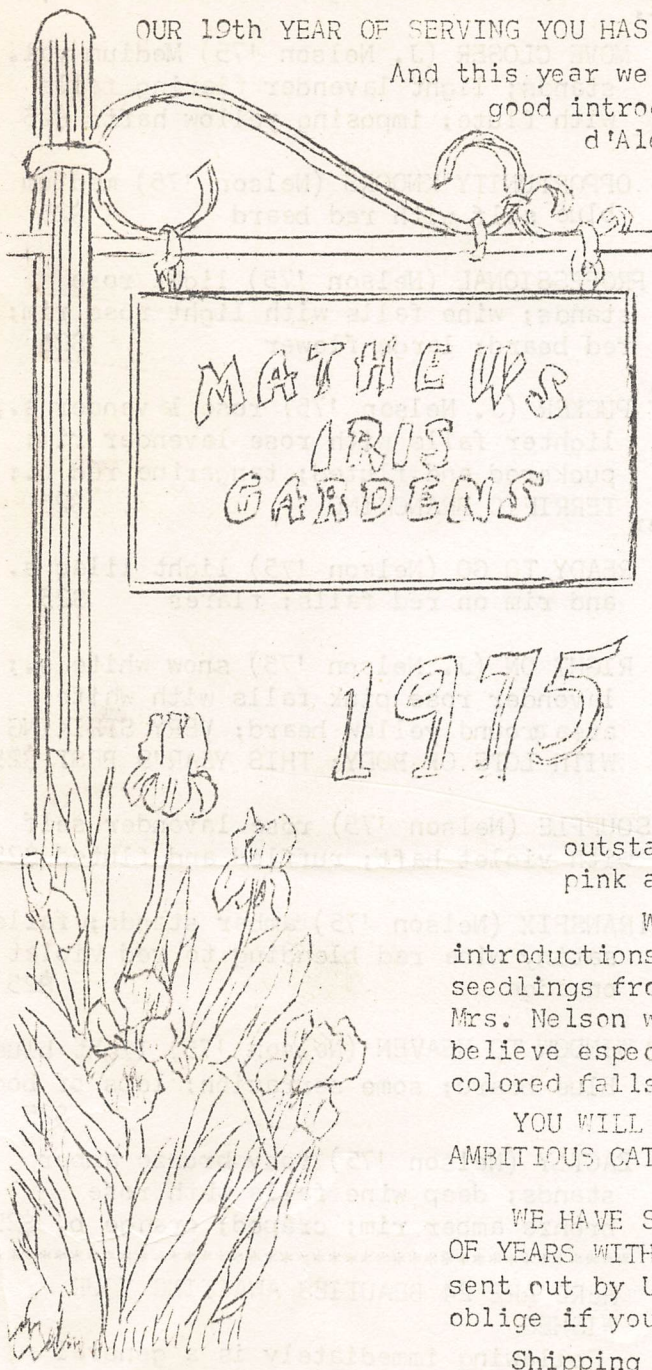

WE HAVE SENT OUT SEVERAL ORDERS IN THE LAST COUPLE OF YEARS WITH QUITE GOOD RESULTS--If you wish your order sent out by UNITED PARCEL SERVICE or by AIR MAIL we can oblige if you make special arrangements for this service.

Shipping season begins soon after July 1 and ends September 30. Add 10¢ for each rhizome ordered--YOU PAY THE POSTAGE. Minimum order is \$3.50. ORDER NOW.

All orders get our personal individual service. Our catalogue is designed for your convenience and the pricing lets you know the bargains you are getting and the exact price without guessing and without getting something you don't want or didn't order. WE BELIEVE IN THE DIRECT

APPROACH. Come and see us the middle of May. You'll be glad you did.

SALES PITCH: Along the highway in a "wet" Oregon area a roadside stand displayed in huge letters a sign "GLADIOLUS 50¢ Doz." Customers poured in and soon wiped out the supply. Across the highway was another stand with a small sign "Gladiolus \$1 doz."

Numerous of the disappointed bargain hunters headed for the other stand and the conversation went something like this: "We'd like some glads. The stand across the way is selling them for 50¢ a dozen. How is it that your price is double?"

Proprietor: "Well, if you want 50¢ glads, go across the highway for them."

Bargain Seeker: "They don't have any."

Proprietor: "Neither do I. But I do have a nice selection of colors in glads."

MATHEWS IRIS GARDENS TRIES TO GIVE YOU REAL BARGAIN PRICES. IN SOME INSTANCES OUR PRICES HAVE BEEN ADJUSTED SO THAT IF YOU REALLY WANT CERTAIN VARIETIES OF IRIS WE WILL HAVE THEM FOR YOU AT A REASONABLE PRICE. . . BUT WE DO HAVE THEM.

"DEPRESSION ORCHID" SPECIAL
 \$5 BONANZA BOUQUET

Want in the land of plenty. The rich getting richer and the poor getting poorer. With unemployment still a major crisis, the cost of living jumping, taxes out of hand, the fixed-income folks winding up in the squeeze, welfare scandals, reduced incomes and other things as indicators, it is now official that we are in the midst of a manmade recession or real depression. While politicians continue to fail to come up with solutions to the important matters facing our nation, we have decided to "face up" to the situation and see if WE COULD PROVIDE A LITTLE HAPPINESS FOR THE HARD PRESSED BY OFFERING A "DEPRESSION ORCHID" SPECIAL.

Did you ever think of iris as orchids? Maybe you would like to have orchids to give to your friends or for special occasions and the current economy has let you down. Well, we have the answer.

We call this special special our "DEPRESSION ORCHID" SPECIAL. Our iris are so beautiful that many of them resemble orchids, and now that "times are tough" we are offering for \$5 twelve plants (rhizomes) all different colors and all named (our selection) with a guaranteed value of over \$20, according to the iris trade 1975 suggested retail sale price prepared by the larger growers as a "fair trade" price list.

For a beginning collection or as a gift, this \$5 bargain is a real must.
