BURCH IRIS GARDEN
717 Pratt Avenue, NE, Box 3
Huntsville, AL 35801

Hello Iris Friends, with pleasure we issue our fifth price list and additional introductions. You are cordially invited to visit us at any time. Our bloom season is from late April to middle May, or earlier this year. If you are interested in an iris not on the list, ask about it; if we have the iris in limited quantity, I will quote you a price. We are looking forward to this year's convention and many of you visiting our garden on May 4. Many guests are looking good for this year's bloom. The location of our residence and garden remains unchanged. We now have a post office box.

Terms of sale: minimum orders \$10; \$1.50 for UPS shipping. Bonuses equal to 100% of orders will be included. Shipping begins in July with no orders accepted after July 15.

ABOVE BOARD (Bledsoe) TB, 34", M-L (77-21) This pale blue self has closed standards with very crisp and ruffled, flaring falls. The orange beard, tipped blue, rests between pale yellow hafts. The blue in this iris does not fade. There is 4 way branching and a terminal, 7-8 buds, (Lemonade Stand x Bride's Halo) HC 77 \$25

TORCH PARADE (Bledsoe) TB, 32", M-L (70-13) The colors - orange and pink - blend to give a bronze effect on the standards. Falls are the same with a lighter area surrounding a saturn red beard. Standards are lightly domed over ruffled, flaring falls. This iris has a delicate appearance but has tremendous substance. There are 3 branches plus terminal, 7 buds. (Sib to Golden Opportunity x Sunburst Duet) \$25

SECOND EMOTION (Bledsoe) TB, 33", M (75-58) The heavily laced standards are buff-orange (RHS 22A); ruffled falls are a pale violet (RHS 84B) and brown (166D) blend, which gives the iris a bronzy brown appearance. The beard is cadmium orange (23A). There is 3-way branching plus terminal; 6-7 buds. (Flameburst x 72-36) \$25

FROSTY JEWELS (Burch) TB, 36", M-L, (73-4A) This lacy, light pink (RHS 38C/D) jewel is gorgeous with its light coloring, deepening at the junction of the red beard and the standards, falls and stylearms. Frosty Jewels is heavily substantanced and is weather resistant. It has 3 branches plus terminal with 8-10 buds. (Pink Taffeta x Point Clear) \$25

BLUE TEMPEST (Burch) TB, 32", M-L (78-5A) The tightly domed standards are light blue (RHS 97B); falls are dark blue-violet (86A). A light blue blaze on the falls surrounds an orange beard that changes to blue at the tip. A light blue border encircles the wide, semi-flaring falls. Blue Tempest has 3 branches plus terminal and has 6-7 buds. (Touche x Stepping Out) \$25
