1979

Dear Iris Friends:

Our 1979 Iris list has a new feature - two new iris varieties originated by our daughter, Catherine Long Gates. Both these iris, described below, have won honorable mention awards at the International Iris Competition in Florence, Italy, and we are pleased to present them for your consideration.

As usual we are asking that all orders reach us by August 10th. Only mail orders are accepted. (Our gardens are open only at blooming time.) All iris will be labeled and planting instructions included. Orders will be shipped in August with postage paid to your door. Please add 3% sales tax for Colorado customers and 35¢ handling charge.

Save money by using the discount schedule below. The larger the order the less cost per plant. Note: Discount does not apply to Rainbow Collection on back page.
