# Greetings from Baldwin's Iris

It is time to again greet our iris friends. Here is your personal copy of our catalog. Enjoy it. Feel free to write; your letters and notes are enjoyed so much.

## TO OUR NEW CUSTOMERS .... WELCOME!

We offer a wide selection from the smallest dwarf to the stately Tall Bearded. In Section I our new varieties are listed and described. 229 this year. Section II is expanded to include many additional varieties. List prices are not given but be assured -- this is our bargain section. In Section III we list over a hundred medians.

No introductions this year. But in 1981 we hope to have some to introduce under our name. We shall see!

About the awards. Sorry to say space does not allow us to include the many H. M. 's the varieties we grow received.

We are always happy to see a "Hint" list. (Suggestions on what you would like as gifts.) There is a space for this on back of order blank.

Please continue to send additional directions to your home. P. O. Box Numbers are insufficient address for fast U. P. S. delivery. Include your phone number. If you get a card or a call from U. P. S. respond quickly. Packages are not "Held" long. U. P. S. delivery to the East should take around 10 days; intermediate points sooner. Should you wish Air Service see information inside back cover.

FOREIGN ORDERS - \$5.00 documentation fee charged. Air shipment at cost. Air rates vary. Estimate \$5.00 for carton plus \$1.25 (Europe) each rhizome. If overpaid extra irises will be included.

PHYTOSANITARY CERTIFICATES - We regret this charge. We must know the exact number of plants to be sent. It is also quite a time consuming procedure in our area.

This winter (1979-1980) has been fairly mild in contrast to last year's severe one. Today (Jan. 16th) I walked out among the rows of plants. They really look good - and spring doesn't seem so far away.

Good health and excellent bloom,

Margurete Baldwin

## SHIPPING - TERMS - ETC. - PLEASE READ

SHIPPING SEASON - Begins 1st week in July and continues until Sept. 1st. Orders will be filled in rotation as received. Will meet special shipping dates if at all possible. Indicate on order date requested.

All orders will be acknowledged. At shipping time (July and Aug.) we will notify you (by card) order has been sent. Invoice included with your order.

**GUARANTEE** - Every rhizome will be healthy, freshly dug, labeled true to name and of normal size for the variety. (Our irises are transplanted each year to assure you of fine stock.) State inspected.

**TERMS** - Cash with order. Please send check or money order. Washington residents only, add 5.0% sales tax on all orders. Handling Charges \$1.50. We found United Parcel Service (U.P.S.) satisfactory. Most orders will be shipped this method. Should your home be a bit difficult to locate please add additional instructions. Should you desire air mail - omit handling charge and add 50¢ per plant. For Foreign Orders see front inside.

**ADD - ON ORDERS** - Welcomed. Kindly include order number when corresponding. No additional handling charges necessary if shipped with original order.

**CONCERNING OUR PRICES** - All plants we sell are below list price. This is especially true in Sect. II and Sect. III. However, we do not want emphasis to be on price along as we feel it should be on quality of plants and service received as well.

No minimum amount to buy; no percentages to figure. You pay as indicated in this catalog.

**SUBSTITUTIONS** - Made only with your permission. We do not like to substitute and will refund on varieties sold out. In Section II it would be well to list some acceptable alternatives since irises in this section sell out early. Order early for widest selection.

**EXTRAS** - Generous surprise extra(s) added to each order. These must be of our choosing but "hints" are most welcome. We want extras to be some you really want. Iris "gifts" are our way of thanking you for dealing with us.

Feel free to write us if you are not satisfied when plants arrive. Should plants fail to grow notify us by Nov. 1st.

**ORDER EARLY.** Especially the new varieties. When your order is received these are reserved for you.
