1981 Iris

Brown's Sunnyhill Gardens

Route 3 — Box 102

Milton-Freewater, Oregon 97862

Greetings Irisarians!

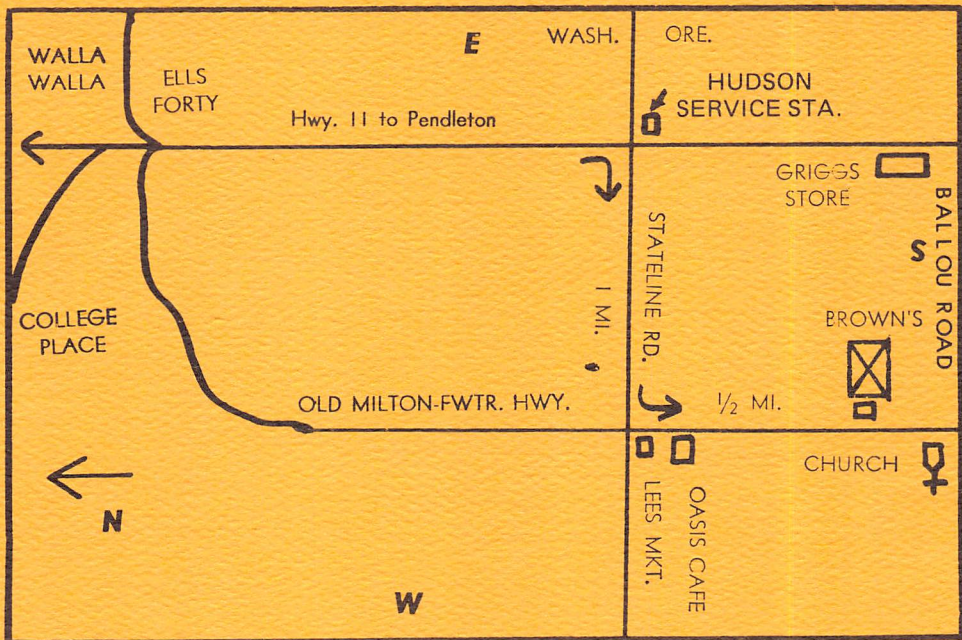

In writing this near the first of Feb., so far the winter has been mild, foggy and damp. Last year at this time we were having ZERO temperatures. Now wheat growers are having early weed growth, fruit growers are concerned about early bud growth but we IRIS growers and fanciers still look forward to a near normal bloom period.

Again my sincere appreciation for all past orders and for your kind letters and cards.

Happy Irising in '81

NOTE — To all AIS members and friends!! The Walla Walla area Societies will host the REGION 13 spring IRIS MEETING — MAY 23rd and 24th. There are several gardens to visit and we hope to have many new and interesting irises in bloom for your viewing pleasure. PLAN TO ATTEND — MARK YOUR CALENDAR NOW!!!
