Ph. 405 884 2606 Geary

Shipping season begins June 1. Only a few orders shipped before July 1. We continue to ship through October 1. We like to ship most orders in July and August. Add \$2.50 on all orders for shipping and handling and on large orders, add \$3.00 or more. Quite a few varieties are in short supply (only 1-3 available) so include list of acceptable substitutes. A list of extras is also helpful. Send stamp for list. All plants are state inspected. We are located 4 miles east and four miles south of Geary, or two miles north of the Cherokee Restaurant on I-40 at the Geary-Watonga 281 Spur Exit.
