Greetings . . .

to our iris friends for eighty-two

Again in 1982 we have the pleasure of bringing you our little catalogue listing over 1100 varieties, including many of the newer iris along with the older favorites.

We thank all of our old customers and hope to hear from you again. To our prospective new customers, try us and see the quality of our large rhizomes. We will do our best to please you. We have raised the price of our **PROVEN FAVORITES** in order to be able to continue handling these older Irises. They are still a bargain as they are around $\frac{1}{3}$ list value. You are always welcome to visit our gardens. Peak bloom usually between May 25th and June 3rd. Catalogs will be sent 2 years after the request or last order.

Gift certificates available.
