INSTRUCTIONS FOR ORDERING

POSTAGE AND PACKING: Add \$2.00 west, \$2.50 east of the Mississippi River. Shipment will be made via United Parcel Service unless requested otherwise or we deem it best to ship via other means. UPS delivery to the east should take approximately 10 days; intermediate points correspondingly less. If you wish shipment by air, add 50¢ per rhizome to the above.

NOTE: P. O. Box numbers are insufficient address for fast UPS delivery. Route addresses should also include road name and directions for finding you. Include phone number. If you get a card from UPS, respond quickly; they do not "hold" packages for more than a few days.

SHIPPING SEASON: July 1 to approximately August 20, 1985.

SUBSTITUTIONS: Made ONLY with your permission and ONLY if necessary.

EXTRAS: Free gift iris of our choice included with each order.

EXTRA EXTRAS: On orders of \$75.00 or more, you may choose additional free irises as shown below:

On orders of \$75.00 or more, choose one variety from the following list:

Charmed Life, Congratulations, Danger, Flower Show, Jean Hoffmeister, Laredo, Mulled Wine, Orangerie, Precious Moments, Show Biz, Swirling Seas, Syncopation, Venus Rising

On orders of \$150.00 or more, ALSO choose one variety from the following list:

First Impression, Gigolo, Heatheridge, Pink Froth, Rosy Cloud, Tomorrow's Child

QUANTITIES ARE LIMITED! Please list second choice. We reserve the right to substitute on free irises if stocks are depleted by the time the order is received.

CALIFORNIA RESIDENTS: Add 6% sales tax.

FOREIGN ORDERS: Due to the decrease in amount of stock being grown and more especially the amount of time available for processing paper work, we do not anticipate being able to accomodate foreign orders in 1985. We regret this, but it has become increasingly impossible to find time to hold a full-time job, carry on a mail-order business and maintain iris society commitments.

FOREIGN ORIGINATIONS: noted throughout the catalogue by *

*Anfosso varieties originated in France

*Blyth, Donnell, Grosvenor, Lott and Thomas varieties originated in Australia

SLIDES: Color slides of tall bearded irises (approximately 100 slides per set) may be rented for \$5.00. Please request at least two months in advance of meeting time, giving alternate request date if possible.

GARDEN VISITORS are welcome during the bloom season. Peak bloom for tall bearded is generally the last week in April. Garden and home address is: 451 North Lillian. Phone: (209) 463-0227.

INTRODUCTIONS

TALL BEARDED

CHICO MAID (Luihn) ML 38" ((Contempo x Five Star Admiral) X Song of Norway) Blended palest blue, shaded deeper, with strong blue beards tipped bronze in throat. Lightly domed standards, flared falls, waved and lightly ruffled. Good-sized blooms on double-socketed, well-branched stalks. Vigorous grower. #79-23 25.00

FIRST IMPRESSION (Gatty) E 32" (Paradise X DreamAffair) Start out the season with this lovely ivory cream with touches of lemon yellow at the hafts and harmonious lemon beards. Standards lightly touching, falls flare almost horizontally, and both are fluted and ruffled. Three branches plus terminal. #L94-1 25.00

HEATHERIDGE (Gatty) M 34" (Simpatico X (Risue x (Princess x Pink Sleigh))) Short, but making the most appealing splash of mallow pink to ashes-of-roses color. Hefts carry a soft apricot suffusion, and the beards are reddish orange. Lightly touching standards, slightly flared falls, ruffled and strongly laced. Two branches plus terminal. Named for Jaymie Heathcock's home. #J53-1 25.00

IRIS IRENE (Catty) ML 35" (Mannequin sib X (Liz x Pink Sleigh)) Creamy buff-peach blend with peach pink shadings and slight golden peach haft overlay. Flared, ruffled and heavily laced falls pale perceptibly in the center. Orange-red beards. Named for Iris Irene Nelson, chairperson for the 1986 iris convention. #J56-1 30.00

JOYOUS MELODY (Gatty) ML 36" (Peach Float X Playgirl) Peach pink standards with faint gold veining at midribs; peach falls with ivory peach blending in center. Beards carnelian red. PINK FROTH (Keppel) E 34" (((68-39D, cream recessive parent of Generosity, x April Melody) x Apricot Blaze) X ((68-39D x near-sib) x Osage Buff)) Standards almost solidly suffused lavender pink on creamy white; falls white, with 1/2" solid margin of lavender pink with deeper hafts. Beards shade from white to pale peach to burnt tangerine in throat. Ruffled, lightly laced. Slightly open standards, flared falls. #76-122B 25.00

Markings applied as a 3/4" shaded band on standards and 1/4" band on falls. Blue-white beards tipped yellow, with a dart of blue below beards. #74-54G 25.00

ROSY CLOUD (Keppel) EM 35" (Broadway sib X Peccadillo sib) For those who feel the pink-and-purple plic combination is too garish, here is an ultra-pastel variation. Uniformly colored light peach standards sit atop pure white falls, narrowly banded with rosy lavender-orchid. Beards merge from white to soft red-orange. Rounded and ruffled, with up to three branches and terminal. #78-70G 25.00
