

IRIS FOR 1985

Mission Bell Gardens

MR. AND MRS. J. R. HAMBLER
2778 West 5600 South
ROY, UTAH - 84067

TERMS

MINIMUM ORDER \$25.00; payment with order by check, draft or money order. Please add \$2.50 to help defray packing and shipping costs. AVAILABILITY OF ALL VARIETIES IS SUBJECT TO PRIOR SALE. We ship by UNITED PARCEL SERVICE unless otherwise requested. PLEASE GIVE COMPLETE street address for UPS delivery. If you wish UPS BLUE LABEL SERVICE (Airmail) please advise; we will bill you after shipment for the difference in price.

EXTRAS

EXTRAS, in line with the size of an order, (for example; with a \$50.00 order you may select \$100.00 worth of irises).

HOWEVER, since some varieties are in short supply, on extras, PLEASE LIST ALTERNATE CHOICES.

WE DO NOT SUBSTITUTE unless authorized to do so; in such cases please list alternate choices.

SHIPPING DATES

We ship from July 10 to September 1. Orders are filled in rotation as received; however, we will comply with your preferred date if possible.

SPECIAL PRICES QUOTED to Garden Clubs; we do not pay postage on these orders.

GUARANTEE

All rhizomes are healthy, true to name and guaranteed to live and grow. Our irises are transplanted each year to assure you of fine stock.

A WORD ABOUT SYMBOLS USED IN THE CATALOG

In the pedigree, the pod parent is on the left of the capital X and the pollen parent is on the right.

Mission Bell Gardens

Dear Friends,

Once again we invite you to visit our garden to share its beauty with us. Each year, as we make this statement it is with "tongue in cheek," since we can never be sure how favorable the "Weatherman" may treat us! Normally, we have good bloom during the last week of May; but, the past two years have been wet and cool, delaying peak bloom into early June. However both years have given us a wealth of bloom — perhaps later is better, helping us avoid late spring frosts.

We have an unusually large number of guest and "display" irises that should bloom in '85. Thank you for the privilege of growing them, "the frosting on the cake", and for generous orders and notes of appreciation.

In 1984 there were so many gorgeous flowers to be seen, so little time to study them and so many wonderful visitors to enjoy — we shall not attempt to mention those that were especially outstanding.

We are looking forward to seeing many of you again this spring (a garden is for sharing!). We sincerely hope your gardens will be more beautiful than ever and that your hearts will be filled with that special joy known to all iris lovers.

Yours truly,

Molba and Jim

1985 INTRODUCTIONS Hamblen

TALL BEARDED

ADVENTURESS. 36 in. M. This strikingly lovely bicolor went beyond the norm to bring us bicolored standards — pinkish on the outside (RHS 69A) blending to violet (84D) at edges and inside of fall petals. Wide ruffled and crimped falls of purple violet (88A) are edged slightly lighter. Beards are rusty orange tipped 3/8" purple violet (84D). Vigorous. Strong, well branched stalks. (Song of Spring sib X Frances Gaulter sib).

No. 78-79PL HC '84

\$30.00

- GRADUATION.** 36 in. EL. One of the most attractive and unusual seedlings we have bloomed — the star of the garden for the past few seasons! Upon opening, the flower is a heavily ruffled and fluted violet (RHS 83A) with slightly lighter standards. However, within a few hours a transition takes place! Fall centers change to near white leaving wide, ruffled and lacy rims of the original deep violet. Rusty orange beards are violet tipped. Excellent branching. (Sib to Adventuress).
No. 78-79D. HC '84 \$30.00
- INGA IVEY.** 36 in. M. Exquisitely ruffled and frilled pink (RHS 73C). Full closed standards; falls near white around broad deep pink beards, merging to pink (77B) ½" lacy edges. Superb branching, stalks and bud count. Named for a lovely young friend from South Carolina. (Glory Bound X Sunday Chimes).
No. 78-105-5. HC '84 \$30.00
- JAZZ SWINGER.** 36 in. ML. Immense ruffled bicolor with unusually strong stalks. Tannish standards (RHS 161C). Violet falls (81), mahogany hafts and haft markings reaching tips of orange yellow (21A) beards. Spicy fragrance. (Betty Simon X Caramba).
No. 76-69A. \$25.00
- JO VALLERY.** 38 in. ML. Vibrant, Shimmering cool pink with sublime form. Broad flaring falls lighten toward showy pink beards, deepen near frilled edges. Strong stalks carry 10 or more well placed buds. Named to honor Herb Spence's mother, an active irisarian throughout her life. (Beauty Is X Sunday Chimes).
No. 79-10B. HC '84 \$30.00
- SILKWOOD.** 34 in. EL. A dancing beauty with a ruffled light blue bodice over a wide semi-flaring skirt of near white, touched with blue at the hafts, and accented with wide beards, best described by the Munsell color chart as 7.5YR 5/7 mixed with 7.5R 4/5. Vigorous and floriferous. (Henna Accent X 73-39A: (Inv. Helen McGregor, Radiation, Palomino, Glittering Amber, Garden Party, Convention Queen, Blue Cliff, Arctic Flame, Fifth Avenue, Violet Fire, Fashion Show, Melodrama, Fair Luzon, Mahola, Touche, Lightning Ridge, Misty Dawn, Sienna Star, sdlgs.)).
No. 79-57E. HC '84 \$30.00
- TREASURE LANE.** 36 in. ML. Except for the lightly laced, yellow-orange (RHS 14A) fall edging, this iris could be pure yellow (RHS 13B). Treasure Lane's wide petaled form, satiny texture and smooth finish, with strong stalks to carry the well placed weather-resistant flowers is destined for stardom. (Sun Fire sib X Land of Judah).
No. 79-69A. HC '84 \$25.00

TALL BEARDED IRIS FOR 1985

(* designates an Arilbred)

- ACCLAMATION** (Corlew '80) Stately ruffled yellow; darker beards. (Proclamation X Cream Taffeta). HM '84 10.00

stands; falls with variable plic markings in
shades of lavender to deep purple. No two
blooms alike; breaks may occur in same
flower. Ruffled with flaring falls. (Rain
Cloud X Rancho Rose). 15.00

IRIS PLANTING AND CULTURAL DIRECTIONS

WHEN TO PLANT. For best results plant June through September. Early planting establishes the new Iris before winter. This is the time to reset clumps of Iris that are crowded, generally clumps 3 to 4 years old.

WHERE TO PLANT. The ideal location for Iris is a sunny, well drained position. Sunshine at a minimum half days; Iris will not do well in deep shade. No water should stand in Iris beds. Raise beds slightly above the level of garden paths if necessary.

DEPTH TO PLANT. Place rhizomes just below the surface of the ground with the roots well spread out underneath so that the rhizome is within reach of the warmth of the sun's rays while the roots beneath are in moist (not soggy) soil. Be sure to firm the soil tightly around each rhizome when planting. Follow ordinary good garden practice of watering and settling soil on newly set plants.

DISTANCE APART. This will depend on your particular plans. Generally iris are planted from 14" to 2' apart. If you desire immediate clump effect plant 8" apart in groups of 3 or more of one variety. You may have to divide and separate your plantings more often, but you will have a wonderful splash of color sooner than if you planted only one rhizome of one variety.

FERTILIZATION. Iris will thrive without feeding but will respond to its application. In the preparation of a new Iris bed, spade in a good application of compost below the roots. Then an application of a well balanced fertilizer applied as a top dressing dusted around and in between the plants in early spring or very late fall is desirable.

CULTIVATING. Do it shallowly. Iris feeding roots are very near the surface. Keep your Iris free of weeds and do not allow neighboring plants to encroach upon them. Remember, they should have sunlight right down to the rhizome. Remove the outer leaves as they begin to brown. At all times keep litter, old Iris leaves, grasses, etc., away from the rhizomes. Clean cultivation is the fines precaution for Iris troubles.

WEEDS. For several years we have used Treflan, a preemergent weed killer. It prevents weeds but will not kill those that have already germinated. Follow directions closely, and enjoy a practically weed-free garden.

INTERMEDIATE BEARDED IRISES

(Hybrids of TB and dwarf irises 16" to 27" tall
blooming between Dwarf and TB seasons.)

BOLD PRINT (Gatty '82) Purple heather plic stitching on pure white. Great contrast! (((Dainty Royal x Golden Fair) x Zip) X (Bonifay sib x (Dancer's Veil x Tea Apron))). 3.00
