

Rt.1 Box 152  
GEARY, OKLAHOMA 73040

Ph 1 405 884 2606

Shipping season begins June 1. Only a few orders shipped before July 1. We continue to ship thru Oct. 1. We like to ship most orders in July and August. Add \$2.50 on all orders for shipping and handling and on large orders, add \$3.00 or more. Quite a few varieties are in short supply (only 1-3 available) so include a list of acceptable substitutes. A list of extras is also helpful. Send stamp for list. All plants are state inspected. We are located 4 miles east and four miles south of Geary, or two miles north of the Cherokee Restaurant on I-40 at the Geary-Watonga 281 Spur Exit. Many of the older TBs and Medians likely will be discarded this fall, so best get them now if you want any.
