

1988 Iris

Brown's Sunnyhill Gardens

Route 3, Box 102
Milton-Freewater, Oregon 97862

Greetings Irisarians!

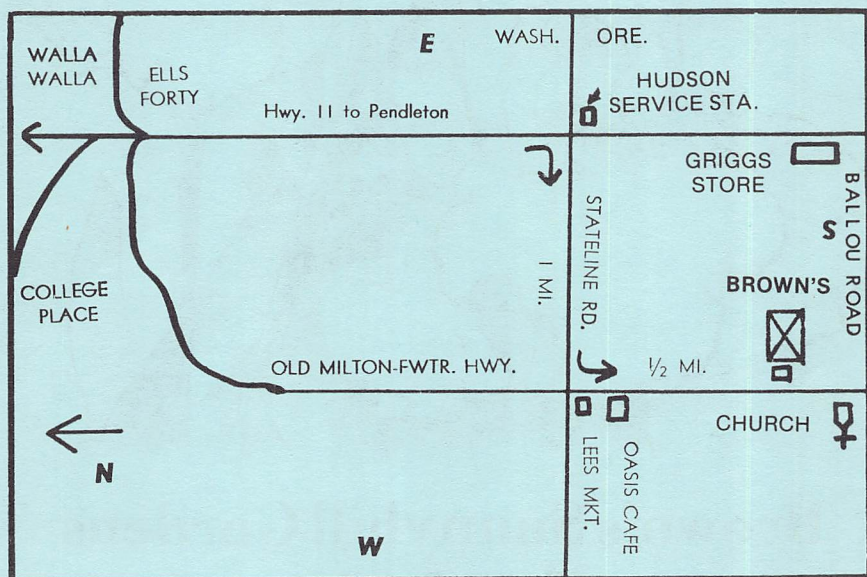

I expect to make some changes in my garden this coming season. I will be cutting down considerably on the number of varieties, even more than the past year. It is possible I will not have a catalog to send out in 1989.

I have appreciated the many loyal customers over the past thirty-five years. It is gratifying to know that our plants and policy warranted your orders year after year. A SPECIAL THANKS to you.

I will continue to hybridize and introduce those seedlings that prove worthy. May you all enjoy the greatest Iris season ever.

Sincerely,
Opal
