BLOOM SEASON: late May & early June
always dependent on weather
please call to check!

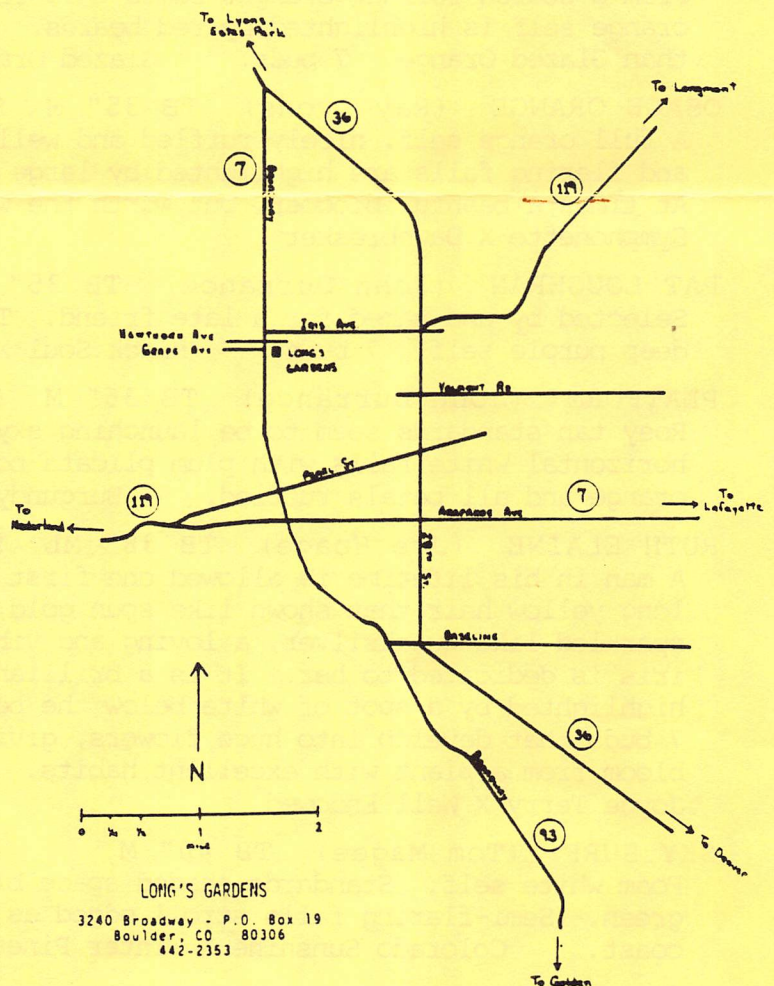

DEADLINE FOR ORDERING: August 1, 1989

To our gardening friends -

Create a rainbow of spring color with bearded irises. If you can provide a sunny location with well-drained soil and a bit of elbow grease we'll help you with the rest.

You may select plants from this listing which we'll ship to you in July or August. Or if you're ready to plant this spring and live in the area we have one field where you may select from a large selection of unlabeled plants and "dig it yourself" for \$3.00 per clump. It is always advisable to call before coming to check on availability.

Thank you for making this our 84th year of business!
- The Longs

New Colorado Creations

We're pleased to offer these new varieties developed by four of our very talented Colorado hybridizers.

- BUTTERED BISCUIT (John Durrance) TB 34" M Sdlg. D82-5
Buttery yellow highlights on a creamy white biscuit background.
Hearty robust grower. Dream Affair X New Moon \$25.00
- GRAPES OF WRATH (John Durrance) TB 32" M Sdlg. D86-65
While in bud this novelty resembles a bunch of grapes. It opens
to reveal an extremely ruffled deep wine purple.
Bubbling Over X Navy Strut \$30.00
- HELEN HUNT JACKSON (John Durrance) TB 35" M Sdlg. D87-52
Very formal, tailored deep yellow. Named for one of the 19th century's
foremost advocates of Native American rights. Celebrated for her
writings, including "A Century of Dishonor", "Ramona", and numerous
essays and poems, we add our three cheers with this bright garden
tribute. Gold Galore X Sexton 24-75 \$25.00
- ORANGE PARFAIT (Joe Hoage) TB 28" ML Sdlg. H79-26
Parfait: A frozen dessert of fruit, syrup, ice cream and whipped cream.
From a search for new oranges comes this frilly favorite. This lacy
orange self is highlighted by red beards. Standards are more orange
than Glazed Orange. 7 buds. Glazed Orange X Apricot Fringe \$25.00
- OSAGE ORANGE (Ray Lyons) TB 35" M Sdlg. LY80-27-B
A full orange self, nicely ruffled and well laced. Domed standards
and flaring falls are highlighted by large tangerine beards. 7 buds.
At times a bashful bloomer, but worth the wait. EC 1985
Symphonette X Dawnbreaker \$25.00
- PAT LOUGHRAN (John Durrance) TB 35" M Sdlg. D86-33
Selected by and named for a late friend. This is a smooth ruffled
deep purple self. 7 buds. Black Soul X Good Knight \$25.00
- PLATFORM (John Durrance) TB 36" M Sdlg. D86-10
Rosy tan standards seem to be launching skyward from a platform of
horizontal white falls with plum plicata borders. Beards are burnt
orange and all petals ruffled. Burgundy Brown X Capricious \$25.00
- RUTH ELAINE (Joe Hoage) TB 38" ML Sdlg. H80-6A
A man in his lifetime is allowed one first love. Ruth Elaine had
long yellow hair that shown like spun gold, dark brown eyes that
sparkled like quicksilver, a loving and vibrant personality. This
iris is dedicated to her. It is a brilliant yellow with self beards
highlighted by a spot of white below the beards. The stalk supports
7 buds that develop into huge flowers, giving a long season of
bloom from a plant with excellent habits.
Joyce Terry X Well Endowed \$30.00
- SKY SURF (Tom Magee) TB 40" M
Foam white self. Standards shaded space blue; falls shaded ocean
green. Semi-flaring falls scroll edged as sea waves splash rock
coast. Colorado Sunshine X Winter Pines \$20.00

Tall Bearded

All the iris in our main listing below are Tall Bearded (with stalks over 28" tall). In the descriptions the initial S is used to designate the standard or upright petal of the flower, F is for the fall or downturned petal and B designates beard, the fuzzy structure on the fall. Contained in the parentheses are the hybridizer and the year of introduction.

Orders for iris in this list will be accepted, when accompanied by payment by check or money order (no Visa or MasterCard), until Aug. 1st. All iris are labeled and planting instructions included. Orders will be shipped in rotation as received beginning in early July. If you specify a particular ship date we will endeavor to comply, but remember that the vagaries of the weather can spoil the best laid plans. We try to ship orders to northern latitudes and high altitudes as early in the season as possible. These short season climates need a head start. If you need early delivery please get your order in early.

We will ship by United Parcel Service, unless you request parcel post, so please give a complete street address. Please add \$2.00 packing & handling charge. Colorado customers add appropriate sale tax.

All iris listed are priced per rhizome, that is one division of the plant. There is no minimum order, but orders of \$15.00 or more are entitled to a discount (please see discount schedule). The larger the order the less cost per plant.

Note: Discount does not apply to the Rainbow Collection or the 1989 Introductions.
