Greetings . . .

to our iris friends for ninety-three

Again in 1993 we have the pleasure of bringing you our little catalogue listing over 1000 varieties, including many of the newer iris along with the older favorites.

We thank all of our old customers and hope to hear from you again. To our prospective new customers, try us and see the quality of our large rhizomes. We will do our best to please you. You are always welcome to visit our gardens. Peak bloom usually between May 25th and June 8th. Catalogues will be sent 2 years after the request or last order.

Most of the **PROVEN FAVORITES** are grown by **MIKE & LILA KRATZER-PRAIRIE PROMISE IRIS GARDEN**. Some orders may be shipped from there. The irises are grown in new ground and are top quality rhizomes.

Best buy for iris orders in September would be **SURPRISE PACKAGES** for \$25.00 or more plus handling and postage. Value or list price would be at least 3 times amount sent, depending on supply. Most of the replanting is done in August. By the end of August all that is left are plants held back for late sales.

Gift certificates available.
