# Greetings . . .

## to our iris friends for ninety-four

Again in 1994 we have the pleasure of bringing you our little catalogue listing over 1000 varieties, including many of the newer iris along with the older favorites.

We thank all of our old customers and hope to hear from you again. To our prospective new customers, try us and see the quality of our large rhizomes. We will do our best to please you. You are always welcome to visit our gardens. Peak bloom usually between May 25th and June 8th. Catalogues will be sent 2 years after the request or last order.

All of the **PROVEN FAVORITES** are grown by MIKE & LILA KRATZER—PRAIRIE PROMISE IRIS GARDEN. Some orders may be shipped from there. The irises are grown in new ground and are top quality rhizomes.

Best buy for iris orders in September would be **SURPRISE PACKAGES** for \$25.00 or more plus handling and postage. Value or list price would be at least 3 times amount sent, depending on supply. Most of the replanting is done in August. By the end of August all that is left are plants held back for late sales. Gift certificates available.

### TERMS OF SALE — READ CAREFULLY

Cash with order. Check or Money Order. \$3.00 handling and packing charge on all orders. **Poppies and Peonies are shipped separately, so require separate handling and postage charge.** POSTAGE — zip codes beginning with 0-34 add 20¢ per rhizomes; all others add 15¢ per rhizome. Minimum postage \$3.00. Minimum order \$15.00. Those wishing to have their order sent "SPECIAL HANDLING," add 50¢ for up to 2 lbs.; 70¢ for 2-10 lbs. and \$1.00 for larger orders. Airmail available for an additional 50¢ per plant. Shipment will be by rotation as orders are received and will begin July 20th. Nebraska residents add 5 percent sales tax. Orders shipped by United Parcel Service when possible. Remember P.O. Box addresses cannot be sent United Parcel Service. Also telephone numbers would be helpful.

### No orders accepted after October 1

**GUARANTEE:** Our garden is State inspected. Every rhizome will be healthy, freshly dug, labeled true to name and reach you in live and growing condition. Replacements require a handling and postage charge or with another order.

**EXTRAS:** On Iris orders from \$10.00 to \$15.00, (except Proven Favorites) list 50 percent in extra Iris. On orders from \$15.00 to \$30.00 list 100 percent in extra Iris. On larger orders list others you would like to have. **Items marked net or PROVEN FAVORITES cannot be used as extras.** We will choose from your list of extras as far as possible.

We do not substitute without permission (except Proven Favorites) but if allowed to substitute, we will give a similar variety of equal or greater value. We would appreciate a list of alternates. Place your orders early as some stock is limited. Orders accepted subject to stock on hand. All orders will be acknowledged and the approximate shipping date given.
