

MCMILLEN'S IRIS GARDEN

DEAR FRIENDS,

The McMillen family would like to say thank you to all of our loyal customers for your continued support and look forward to hearing from you again this year. As well, we would like to welcome all new customers to our garden.

For those who have access to the Internet, we are launching a new user friendly website which includes our full catalogue; where you have the option to place your order online and then mail in your payment. The new web address will be **www.mcmillensirisgarden.com** and our email addresses will be as follows:
dan@mcmillensirisgarden.com **lisa@mcmillensirisgarden.com**
gloria@mcmillensirisgarden.com

Included in this package you will find a list of tall bearded, border bearded, intermediate, standard dwarf, and miniature tall bearded that are not in the catalogue, which are available this year. Also included is a sold out list and a new order form for those of you who need another one.

The postage for U.S. orders will change to \$10.00 for regular mail and for the exchange divide your total by 1.35 and that will be the total you pay, eg. \$100.00 / 1.35 = 74.07.

If you have any questions please don't hesitate to call 519-468-6508 or send us an email to one of the above addresses and we will be happy to help.

We wish you all the best in the coming season and look forward to seeing you in the garden.
