Greetings from **Miller's Manor Gardens**, Noblesville, IN. Our catalog this year contains iris, daylilies, and hostas. Perennials and conifers are container grown at our nursery and can be shipped at your expense. We carry a wide variety of perennials, rare conifers, and shrubs at our nursery. The garden is open during business hours, phone for hours or to make an appointment for private viewing. Mark your calendar for our **8th annual Open House**. We will continue to acknowledge mail orders received before April 14. If you don't receive your order from us at the proper time, please feel free to write, phone, or fax us at **317*776-0323** (answering machines and fax are always on). Please leave your phone number so we can reach you. Daytime phone number is **317*770-7678** or email: **Lyndamiller@iquest.net**. Please also visit our website at **www.millersmanorgardens.com**.

Minimum order is \$10.00 net plus a minimum shipping and handling charges of **\$7.00**, or **\$8.00** if west of the Rocky Mountains. **Tall bearded orders of over 4 rhizomes (8 for dwarfs and medians) need to add \$.25 for each additional plant. (6 TBs or 12 SDBs = \$6.50 ect.)** **On beardless iris, \$.50 should be added for each additional plant over 3. Daylily, and hosta orders, \$1 should be added for each additional plant over 2.** Full payment must be received with your order, you may use **Visa, Master Card, or Discover**: expiration date, your signature, and phone number must be included. Fax and email orders can use credit cards or payment can be sent in before shipment. Bearded iris are to be considered as **separate orders** from beardless iris and daylilies (these two may be combined), hostas can be added to either order at an **additional shipping cost of \$1 per plant**. Each order will be processed separately, shipping and handling charges must be assessed on each order. Credit cards will be charged at the time of shipment unless you request otherwise.

Wholesale quotes for bearded iris will be issued upon request, minimum quantity per variety is 3. **Shipping charges for wholesale will be a minimum of \$15, balance over \$15 will be billed after shipping.** Again we are offering a few Siberians for wholesale, look for the varieties starting with * in the catalog. These are offered at 3-5 plants 30% off, 6-9 plants 40% off, and 10 or more of the same variety 50% off. (No extras on wholesale orders.) Look for discounts in the daylily section and an early discount on hostas in the hosta section.

Canadian orders require a **\$20 shipping and handling fee and \$2 documentation fee**. Best method for **overseas orders** is to use your credit card or send your order without shipping payment, we will bill you for the shipping plus a \$2 documentation fee. Payment must be in U.S. funds, or credit card (no international money orders).

Cut off date for bearded iris orders is **August 2, 2005** for and **September 16, 2005** for beardless iris, daylilies, or hostas. Cut off date for ordering **spring** shipped siberians and daylilies is **April 8**.

Shipping time for bearded iris will begin approximately July 10 (for MDBs and SDBs) and continue thru August 9. Beardless iris and daylilies will be shipped during late August thru September (daylilies and siberians can also be **spring**

shipped. We reserve the right to refuse spring shipment of siberians that are in short supply). Hostas can be sent anytime. Our principal means of shipping is priority mail. If you have a preference to a specific shipping date please let us know and we will do our best to ship as close as possible to that date. Individuals ordering for your club, please let us know when your meeting is that you need the plants for so we can ship in ample time for your meeting.

Substitutions are made only with your permission, preferably from a wish list listed on your order. If you do not desire substitutions, refunds will be issued, please mark your forms. All plants are guaranteed to be true to name, disease free, and healthy upon receipt. If you find our plants not fulfilling your expectations please notify us immediately. Miller's Manor Gardens is State inspected annually and licensed by the Indiana Department of Natural Resources. Please remember we are growing in a midwest state, our plants are solid, not full of water.

Extras of our choosing are included with each iris and daylily order over \$15. (Wish lists are very helpful.) For those who would rather not receive extras we continue to offer our discount of 30% on all bearded iris other than net items. Extras will be given on bearded iris at approximately 100%, on Siberians at approximately 50% and daylilies at 30%. Net items and hostas are not eligible for normal discounts, some Siberian iris and daylilies have quantity discounts. (See individual sections for discounts.)

Surprise packages will be available in any amount in excess of \$15 on iris, daylilies, or hostas. When ordering surprise packages we need to know what type and price range you desire included. Yes we do club packages on bearded iris at 3 times the value, Siberian iris at approximately 2.5 times, and daylilies and hostas at approximately 2 times the value.

2006 INTRODUCTIONS

JACK'S PICK (C.Bunnell) MTB 22", ML. Jack Norrick picked this perky seedling as his favorite. Standards are gold with mauve veining and blush. Falls are white heavily veined burgundy becoming solid at the tip with a thin rim of yellow widening at the throat. Beards are bright yellow-orange. Sdlg: H33-4 [Bold Imp X Missus Bee sib: (Welch's Reward X Unknown)] . . .net \$20.00

OVERBOARD (L.Miller) TB 37", M. Up to 15 buds per stock will make Overboard a long bloomer in the garden. Blue-white Standards with Falls washed blue-plum turning to a blue edge. Beards are white tipped orange in throat. Think of the splash it will make going Overboard. Sdlg: 31602A (Lovie Dovie X Awakening) net \$40.00

ROYAL TOGS (L.Miller) TB 30", M. Rich color combination picked by Perry Dyers in our seedling patch. Standards are hazy orchid pink flushed violet-plum at the base. Styles are orchid-pink with violet midrib. Falls are dark purple plum with velvet-black overlay accented by deep orchid beards tipped burnt orange. 8 buds. Sdlg: (11503A Wild Wings X Piano Man) net \$40.00

SPIRITS RISING (L.Miller) TB, SA 30" L. Your spirits will rise with this space age pink. Clear pink Standards sit atop blocky formed, laced Falls of soft pink. Large fuzzy pink horns turn sharply upwards with pink flounces. 6 buds. Vigorous grower. Sdlg: 4703 {(Mimi X Jester) X Davis 87-092-2} X [Noble Lady X (Christa X Pagan Pink)]}.net \$40.00

STANDING ALONE (L.Miller) TB 35" M. As the reddish-pink roses dry on the bush, standing alone are the rose brown blossoms with dark orange stamens (beards). Difficult color to describe. 8 buds. Sdlg: 4497 (Hurrin' Hoosier X Bittersweet Joy)net \$40.00

Wild Thing – claret wine
Wine Time – dark ruby red, dark blue bd
Wing Commander – violet/blue, flounced
Zebra – blue, variegated foliage

Bearded Iris: Plant in a well drained sunny area with high phosphorus fertilizer below rhizomes. Tall bearded, plant 15-18" apart, dwarfs 8-10" apart, and intermediates 15" apart. Winter mulch in cold climates especially the first winter. Divide every three - four years, fertilize with high phosphorus fertilizer (example 5-10-10) in the spring incorporating it into the soil. Keep weed free as possible. Water sparingly.

Siberians and beardless species must not dry out. Soaking the roots in water before planting is helpful. When planting, keep moist, mulch is very important, mulch the first winter. If your weather is too hot and dry when they arrive, pot in good garden soil, keep watered daily or as needed. Plant in the garden after ground has cooled down (for us it is mid-late Oct.). If using this method mulch for winter at time of planting. Fall planted Siberians' foliage will most times turn brown after planting, this is okay, keep plants moist they are growing roots. Siberians can be planted in semi-shade and do not need transplanted for several years. Will tolerate more moisture than bearded iris. They are great planted with daylilies or other perennials that you water often.

Our garden is open to visitors. Iris bloom season starts with the MDBs in late April and concludes in late May, Siberian bloom ends in early June. Daylilies bloom the full month of July. Our garden is located at our plant nursery where we specialize in perennials and unusual shrubs and evergreens. The nursery is located approximately 11 miles north of I-465 (north side of Indianapolis), east off Hwy 37 approximately 2.7 miles on 191 ST. Someone is at the garden during business hours; however if you desire a personal guided tour, please phone 317*770-7678, (317*776-0323 after dark) before your arrival to insure that Lynda or Roger will be available. We are closed on Wednesdays (and Sundays during the summer and fall months.)

JOIN THE AMERICAN IRIS SOCIETY
Single annual membership - \$25.00 Single, \$30.00 Dual
