Bashful Princess

AFTER THE RAIN (Black '13) TB Midseason-Late 36" (91cm)
The road to a white iris with dark blue beard has been long and elusive. Luckily this work has been rewarded with other outstanding irises along the way. **After the Rain** is one of those. Amply ruffled and strongly flared milk glass white blooms have standards blushed light violet up midribs. Show stalks have 3 branches and 8-10 buds. Clean, healthy growth. Heavy substance. Sdlg. R31A: Simply Sensational X Blue Trill **\$50.00**

ALL ASHORE (Black '13) TB Midseason-Late 34" (86cm) Strong, classically formed and heavily ruffled flowers make **All Ashore** a stand-out in any garden. Robust, healthy plants with clean foliage produce show stalks having 2 branches plus spur and carrying 7-9 buds. Heavy substance assures long lasting bloom. Sweet perfume. Excellent parentage. It is an iris you will return to again and again. Sdlg. R21A: In Living Color X (Louisa's Song x Sea Power) **\$50.00**

ARTS AND CRAFTS (T.Johnson '13) TB Midseason-Late 36" (91cm) Light yellow standards beam from above falls washed and shaded maroon. Mustard beards are surrounded by lighter yellow patches. BASHFUL PRINCESS (Black '13) TB Midseason-Late 34" (86cm) Such a demure being should be given a special place in the garden. White standards have pink bases turning to pink veins over centers. Dusky rose hafts and veins are overlaid on cream tan falls. Make note of the peach styles. Soft tangerine coral beards are a nice and fitting accent. Three branches have 8-10 buds. Sweet fragrance. Sdlg. R61A: Wish List X (Impulsive x Luscious Lace) **\$50.00**

Beauty Contest

Don't Stop Believing

Enough is Enough

CORAL CHARM (T.Johnson '13) TB Midseason 35" (89cm)

Coral Charm is all about color! It is one of those that immediately draws the eye away from everything else. Garden visitors bypass many other fantastic irises to get to **Coral Charm**. Form is simpler but you won't notice because of the color. Pink base of standards becomes pink veining over white and then pale buff bands. Falls are a blend of hot pink to salmon. Vivid coral red beards make it even brighter. Even the buds are interesting. Creamy white of standards pushes out of pink falls before flowers open. Very cool. Sdlg. TZ104A: Tropical Passion X Impulsive **\$50.00**

CREDENTIALS (T.Johnson '13) TB Early 34" (86cm) Standards are light blue. Wide and rounded falls are mid lavender blue. Beards transition from tangerine to near white to light violet. Growth is strong and vigorous and show stalks the norm. There is a light sweet fragrance. It should be an excellent parent for interesting fall patterns. Sdlg.TC342A: Hysteria sib X Downtown Man sib **BONUS**

DON'T STOP BELIEVING (T.Johnson '13) TB Late 42" (107cm)

Well constructed flowers are lavishly ruffled and laced. Standards are clear mid pink. Wide milk glass white falls have pink hafts and edge. Unusual beards are half tangerine and half lilac. Strong stalks have up to 9 buds. You won't have any trouble believing how beautiful it is. Should be a beneficial parent in working for blue or violet beards on pinks. Sdlg. TA80A: (Ballet Royal x Corps de Ballet) X Secret Affair **\$50.00**

EDGE OF HEAVEN (T.Johnson '13) TB Midseason 36" (92cm)

Here's a colorful addition for your garden. White standards are banded light gold. Large white fall spot transitions to washed mid red purple band and then to wide darker wine band. Yellow lacing on style arms echoes the yellow orange beards and adds a warm touch. Makes a very bright spot in the garden. Sdlg. TB16B: Jazz Band X ((Dude Ranch x Bold Vision) x Snapshot sib) **\$50.00**

ENOUGH IS ENOUGH (Black '13) TB Midseason-Very Late 35" (89cm)

Compact flowers are ruffled and laced. Falls are the same mid smoky violet as standards but within a few hours centers pale to lovely satiny blue lavender. Big prominent red-orange beards make it anything but boring. Clean vigorous growth produces stalks with 2 branches plus spur and about 7 buds. Heavy waxy substance assures long lasting flowers. Excellent parent for strong growing reverse bicolors and amoenas. Sdlg. O148B: (Suspicion x Cool Confidence) X (Happenstance x (Fashionably Late x Keeping Up Appearances)) **\$50.00**

FRED AND GINGER (Black '13) TB Midseason-Late 31" (79cm) What a lovely ensemble of grace, charm and elegance. Smoky purple standards blend to mauve-pink margins. Chalky light blue falls are banded cameo pink. Unique beards are half coral and half pale blue. Nicely branched stalks have 2 branches plus spur and 7-8 buds. Interesting parentage. Sdlg. R142A: Handmade pollen parent sib X (Flashy Show Girl x (Cameo Appearance sib x Heaven)) **\$50.00**

FULL DISCLOSURE (T.Johnson '13) TB Midseason 36" (91cm) For those connoisseurs of flat irises, **Full Disclosure** is a stable addition to your collection. It is a true flat, having beards on all petals rather than weak standards being passed off as flats. Usually about 7 buds. Sdlg. TC342C: Hysteria sib X Downtown Man sib **\$50.00**

FULL OF GRACE (T.Johnson '13) TB Midseason-Late 38" (97cm) Classic form characterizes **Full of Grace**. Each petal is precisely ruffled. Standards are peach pink. Cream fall centers are overlaid with red lines becoming a red wash over light gold base. Mid gold bands encircle this wild combination of color and pattern. Stalks have 7-8 buds. Totally unique. You won't mistake it for another. Sdlg. TX16A: Impulsive X Whispering Spirits **SEE PHOTO FRONT COVER. \$50.00**

GIORGIO (Black '13) TB Midseason-Late 40" (102cm) 'Kiss of Passion' has been used to help strengthen the standards of some of the current amoenas. In the case of **Giorgio** it worked very well. Standards are domed and strongly held in place. Tall strong show stalks have 3 branches and 8-9 buds. Growth is healthy and clean. You have to love those big orange red beards! Veining in the falls looks a bit like cascading fireworks. Sdlg. Q15A: Kiss of Passion X Gypsy Lord **\$50.00**

GLIMMER OF HOPE (T.Johnson '13) TB Midseason 35" (89cm) Standards are golden apricot. Falls are several shades lighter blending paler approaching mango beards. Falls are edged with a ruffled red-brown band. Moderate sized flowers are presented on show stalks having up to 9 buds. Sdlg. TC85A: ((Dude Ranch x Bold Vision) x Snapshot sib) X Jazz Band **\$50.00**

HEAT IS ON (T.Johnson '13) TB Early-Midseason 35" (89cm) Standards are intense pinkish apricot blend. Wine veins overlay paler apricot sunbursts on wide and ruffled falls. Remainder of fall is dark wine. Tangerine beards bump the heat up one more notch. **Heat Is On** demands you stop and take note of its presence in the garden. Sdlg. TB30A: Snapshot X Guardian Angel **\$50.00**

I'M ALL SHOOK UP (Black '13) TB Midseason-Late 30" (76cm) The name says it all. Just to see how shook up, look at the back cover. Once again the standards take center stage. The cross of (Meritage x Pharaoh's Spirit) was the beginning of three distinct bands of color in the standards. **I'm All Shook Up** builds on that heritage. Color and pattern of falls is also quite unique. Two branches plus spur carry 9-10 buds. This is a must have for any collector's garden. This is one you won't need a label to be able to identify it. Sdlg. R113A: (Bold Encounter x Foreign Legion) X (Meritage x Pharaoh's Spirit) **SEE PHOTO BACK COVER \$50.00**

IN THE NEWS (T.Johnson '13) TB Early 36" (91cm) Combine the rock solid performance of 'In Living Color' with the form and ruffles of 'Hold My Hand' and you get to be **In the News**. Bright yellow standards make it bright and cheery. Strong, healthy growth produces show stalks with 8-10 buds. Sdlg. TA18A: In Living Color X Hold My Hand **\$50.00**

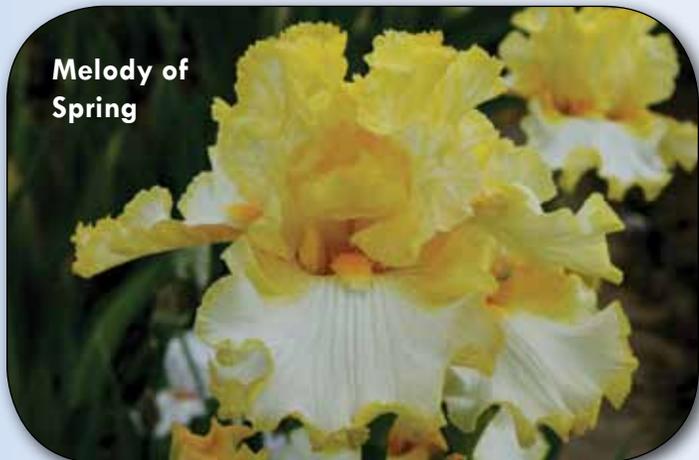

LAND DOWN UNDER (T.Johnson '13) TB Midseason 38" (97cm) Brassy khaki standards are infused maroon up midribs. Subdued mid gold falls have light violet flashes around old gold beards. Strong stalks have 9 buds. Fast increase creates an instant clump of these beauties. You don't have to fly south to enjoy **Land Down Under**. Sdlg. S69AR: Class Clown X (Cantina x Sweetly Sung) **\$50.00**

GARDEN CHIT CHAT

First of all I would like to thank each and every one of you for your continued support of Mid-America Garden. 2012 was a year full of changes for us, with Paul's retirement and the new shopping cart website and bookkeeping system. It was certainly a year of challenges with so much to learn but WE DID IT!

With the 2013 catalogue we are bringing back the customer choice of bonus iris. We ran out of time last year in trying to get it built into the website with the new shopping cart. Our bonus iris always consists of the strongest growers that we know have proven to be outstanding garden performers.

Preparations are already well underway for the 2015 national iris convention that will be headquartered in Portland. Mid-America Garden will be one of six gardens on tour and will feature a master planting of bearded iris. The beardless guests are already planted and the beds are empty and ready to receive the bearded guests this summer.

We had a banner year in the American Iris Society Awards last year. Paul did exceptionally well winning the following: The Knowlton Medal for Crow's Feet, Hans and Jacob Sass Medal for Nickel, Cook-Douglas Medal for Bluebeard's Ghost, and Caparne-Welch Medal for Dollop of Cream. Award of Merits included TBs, For Lovers Only, and Oklahoma Centennial. He also won the top AM BB for Lady Of The Night, the top two AM IBs for Dazzling and Man's Best Friend as well as Fire In The Sky and the top AM SDB for Eye Of The Tiger. HMs included TBs Beauty Becomes Her, (tie for top HM), Better Than Butter, Cheap, Gaudy Is Good, Inspired, Poodle Parade, and Fly Your Colors. Top BB for Ballerina Pink, top two SDB's with Nosferatu and Open Your Eyes as well as Lavender Lynx, Bow Tie, Pinky Ring, Bit Of Gilt, Intergalactic, Ocean Pearl, and Love Spell, and finally the top MDB with Cute As A Button. Beauty Becomes Her was 1st runner up for the Franklin Cook Cup and also top of the 15 Favorite irises at the AIS National Convention 2012. It missed winning by 2 votes. Man's Best Friend won the Ben Hager Memorial Cup. Very appropriately, Stolen Sweets won Best Scented Variety at the International Iris Competition in Florence, Italy.

Thomas's awards included The William Mohr Medal for the arilbred Suspect. AMs were for TBs Baltic Sea, Pacific Fire, Snapshot, Scatterbrain, and Brilliant Disguise, SDB Yahtzee, and AB Octave. Hms included TBs Sharp Dressed Man (tie for top), Bright Sunshine Day, Penguin Party, Private Eye, Strut, Au Contraire, Calgary, Polka, Up In Flames, and Stilettoes. Other HMs were top MTB for Tic Tac Toe, and for SDBs Orange Smash, Sweet and Innocent, and Fidget. Pacific Fire, Genealogy and Snapshot were among the 15 Favorite Irises at the AIS National Convention. Sordid Lives was voted Most Original Color at the International Iris Competition in Florence, Italy.

Thank you to all the AIS judges who took the time to evaluate and vote for our babies.

We finally took Mid-America to the social media by joining Facebook. We never realized how much fun it was going to be connecting so easily with customers and friends. It has been great fun posting photos of the iris and nursery. If you would like to get in on the goings on here both in the seedling patch and throughout the season just go to the the Mid-America Garden page on FaceBook and "like" us.

As this catalog goes to press, the irises are starting to grow and are looking great. Between Paul and I, we have approximately 20,000 new iris seedlings awaiting their maiden bloom. There is no other feeling quite like walking the seedling rows each spring, anticipating the opening of each new flower, and wondering; will this finally be that special one we have been working toward? Maybe it is that clear pink one with the deep blue beards and deep pink hafts or maybe that reverse blue and orange bicolor!! We may never reach our goals but we sure have fun trying. Wishing you the very best spring ever filled with lots of glorious iris blooms.

Thomas
