British Awards, 1978: An Historic "First"

The British Iris Society has bestowed its 1978 awards on irises and individuals, and for the first time the Dykes Medal has been given to an Intermediate Bearded! The Awards are as follows:

The Dykes Memorial Medal: COTSGOLD (John Taylor 1975), a gold IB from Golden Fair X (Annette x D 36/4).

The Fothergill Memorial Trophy: AUREOLIN BLAZE (Leonard Brummitt 1974), an aureolin yellow TB from Olympic Torch X Western Sun.

The Souvenir de M. Lemon Trophy: JEREMY BRIAN (Brian Price, r. 1975), an SDB in light silvery blue from Blue Denim X Sparkling Champagne.

The Hugh Miller Trophy: HOLDEN CLOUGH (Donald Patton 1971), the unusual hybrid of *I. pseudacorus* pictured in the Summer BULLETIN on page 21.

The Foster Memorial Plaque, which honors individuals who have significantly contributed to the advancement of the genus iris, goes to Dr. O. Currier McEwen of South Harpswell, Maine, for his work with Siberian irises.
